* Corporate / Employer Matching Funds

Will your employer match your charitable donation? Corporate/employer matching funds are grants an employer makes to match its employees' charitable contributions. Many employers match their employees' charitable contributions on a dollar-for-dollar basis, although guidelines and procedures vary with each company. Ask your HR Dept. or check to see if your employer offers corporate matching by using the online corporate match tool available on our website, www.delmarheightspta.com. You can enter your employer's name and gain immediate access to matching gift forms, eligibility criteria, etc. for your employer. You can also make your contribution through a stock donation. For more information about this option, contact Malea Smith at treasurer@delmarheightspta.com.
