Corporate / Employer Matching Funds

Many employers match their employee's charitable contributions on a dollar-for-dollar basis, although guidelines and procedures vary for every company. To check if your employer offers corporate matching, contact your Human Resources Department or use the online corporate match tool available on our website, delmarheightspta.com. You can enter your employer's name and gain immediate access to matching gift forms, eligibility criteria, etc. for your employer. You can also make your contribution through a stock donation. For more information about this option, email treasurer@delmarheightspta.com
